

# STATS Cricket DASHBOARD

STATS' Cricket Dashboard is a cutting-edge match scorecard, offering real-time online cricket coverage with ground-breaking features and user interface. In addition to real-time content, the Cricket Dashboard attracts users in both the pre and post-match environment. Cricket Dashboard is a white-label, highly customized application with vast advertising/sponsorship and branding opportunities. Cricket Dashboard has a unique ability to integrate client audio and video content, delivering a compelling opportunity for cricket right holders.

## Cricket Dashboard Content Includes:

- Pre-match information and countdown to match
- Real-time ground view with wagon wheels and spiders
- Real-time interactive time-line
- Match summary
- Ball-by-ball commentary
- Interactive batting and bowling score cards
- Graphs and charts such as manhattans and worms
- Player profiles and in-game statistics on demand
- Team statistics and records on demand

## Statistical Content Includes:

- |  |   |   |
