Pitch-By-Pitch Coverage

STATS' real-time pitch-by-pitch package offers the most in-depth textual descriptions available anywhere. For each MLB game, more than 100 potential events are databased to trigger textual descriptions of the action on the diamond. Play-by-play is the perfect value-added solution for any game cast and online viewing experience.

Editorial and Photo Coverage

STATS offers a comprehensive editorial and photo package for the Major League Baseball. There are up to 40 breaking and general news stories from the daily wire, providing your readers the in-depth MLB coverage they desire. In addition to wire coverage, STATS offers complete game previews and recaps of every MLB game, along with stunning photos from each contest to round out the package.

Historical Coverage

With deep, rich historical content dating to 1876, STATS provides an unparalleled package of historical statistics for Major League Baseball. Historical packages include player and team statistics, leaderboards, schedules, standings, awards, injuries and transactions.

Featured Historical Coverage:

- ▶ Team and player statistics since 1876
- ▶ Detailed player and team splits since 1956
- ▶ Team and player game-by-game statistics since 1956
- ▶ Team and player pitch-by-pitch data since 1988
- ▶ Injury and transaction data since 1994
- ▶ Pitch type, velocity and location data since 2003
