

# FOOTBALL / SOCCER COVERAGE

STATS is the market leader in global football coverage, covering the most prestigious football leagues from South America to Asia.

STATS is the source for detailed statistical information in global football. Our real-time coverage features lineups, substitutions, fouls, bookings, shots, crosses and goals accompanied by rich play-by-play commentary keeping fans in touch with how the match is unfolding on the pitch.

Additionally, STATS delivers premium level data for the passionate fans including in-depth analysis of single matches and season campaigns.

## **XML DELIVERY**

Delivering customized XML data feeds for almost 30 years, STATS packages market leading content in a customizable format perfect for any platform and application.

## **EDITORIAL AND PHOTO**

Journalists are staffed around the clock managing editorial headline packages featuring breaking news, notes and stories accompanied by key match photos capturing the excitement from matches across the globe.

## **MATCH APPLICATIONS**

Customizable white-label match applications combining in-depth statistical data and rich editorial to provide users the ultimate online viewing experience.

## **HOSTED SOLUTION**

A simple, turn-key online solution that provides robust features and complete customization for football content.

## **MOBILE WEB**

For football fans on the go, STATS delivers a customized mobile Web product with complete season editorial and statistics.

## **IPHONE APPLICATION**

STATS' developers have engineered a premium white-label iPhone Solution. STATS delivers branded standalone iPhone applications covering all the exciting global football action.

## **FANTASY GAMES**

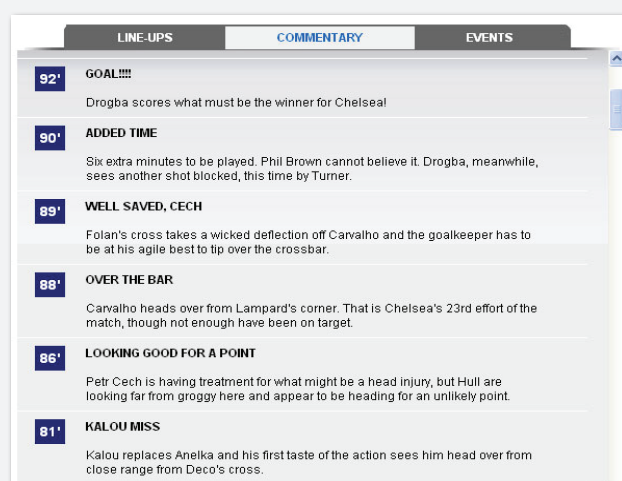

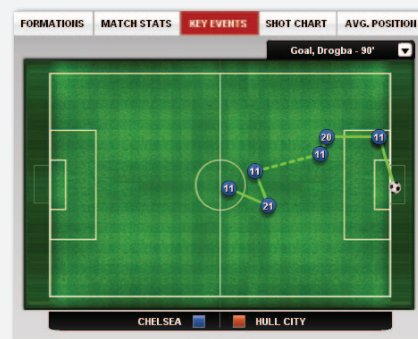

STATS stands alone as the only innovative provider of sports statistics and fantasy game development. STATS can provide predictors or comprehensive white-label fantasy solutions.
