

SPORT CENTRE

STATS Sport Centre is an innovative real-time hosted score and race solution that delivers an engaging experience at an affordable rate.

Developed as a Flash-Based application, the STATS Sport Centre seamlessly integrates directly into the frame of your Web site. Our flexible architecture and design enables application customization to provide a unique feel for each implementation – including client colours and fonts.

STATS first-rate product and customer service staff manage the technical integration process and deliver remarkable 24/7 product support.

Each STATS Sport Centre implementation will be delivered with two potential sponsor/brand elements.

The application is available in multiple languages including English, Spanish, French, German, Italian, Chinese and Japanese.
