

SPORT CENTRE

STATS Sport Centre is an innovative in-progress race application for Formula One that delivers an engaging experience at an affordable rate.

Developed as a Flash-Based application, the STATS Sport Centre seamlessly integrates directly into the frame of your Web site. Our flexible architecture and design enables application customization to provide a unique feel for each implementation – including client colours and fonts. Integration is a quick and painless process.

STATS first-rate product and customer service staff manage the technical integration process and deliver remarkable 24/7 product support.

STATS Sport Centre will be delivered with multiple sponsor/brand elements to further client personalisation.

LANGUAGES:

STATS Sport Centre is available in multiple languages catering to your local audience.
