

# TENNIS ATP AND WTA COVERAGE

STATS tracks every tournament on the ATP and WTA tour throughout the course of a season, delivering a comprehensive package of in-progress results, player summaries, biographies and rankings.

## REAL-TIME INFORMATION

STATS offers game updates for men's and women's singles two to three times per hour for all ATP and WTA events.

During Grand Slam events, game and set scores are updated every five to 10 minutes and include men's and women's singles and all doubles matches (men's, women's, mixed).

## HISTORICAL INFORMATION

Historical Coverage contains top 16 seeds, results and schedules from 2003 to 2005. In-depth tournament statistics are available for all tournaments from 2006 to the present.
